Dear Members:

Our 1st regular tournament of 2024 was at Signature Lanes for the Ralph's Pro Shop Open. We would like to thank Ralph Gorsuch for his continued support as well as Roger Brown and his staff for hosting the tournament! We had 84 bowlers bowl this event which is our 2nd largest tournament so far this season! The pattern for this tournament was the 2021 SYC Kansas Medium Pattern which is a Kegel Challenge pattern and 42 feet in length. The oil ratio for this pattern was 42 feet in length. Scores started out bit lower than normal, but picked up later in the qualification round. Zachary Newman had a 300 game and Pete Senf had a 299 in the qualifying round. It took a score of +97 to cash and +115 to make match play. Congratulations to Jordan Johnston on winning his 2nd MBA Title of the season!! Jason Utter was the tournament runner-up and has qualified for the Masters Tournament!

- a. The above ruling on re-rating does not apply if you have not **cashed** any tournament, **since your last re-rate** during the current season.
- b. If you have bowled three (3) tournaments, since your last re-rate during the current season, have not cashed, and your season adjusted average is below the bottom of the next lower class, you will be re-rated down one class
- c. If you have bowled minimum of three (3) tournaments, **since your last re-rate during the current season**, have not cashed, you can request consideration for a re-rate down one class. This would need to be approved by the board. If granted, the bowler would be eligible for re-rate back up after one (1) event if their average warrants. This will be allowed once per season. The intent of this rule is to give a bowler some relief if they have not come close to cashing and aren't close to earning the automatic re-rate down.
